

ADDITIONAL INFORMATION

Dear Colleagues,

we would like to provide you some additional information about the upcoming Conference moNGeometrija 2016.

Preliminary schedule

Preliminary schedule of presentations and attendant activities can be found at the conference website: <http://mongeometrija.com/konferencije/mongeometrija-2016>

Half-day excursion

Half-day excursion is planned for Sunday, 26th June 2016. and will include a visit to St. George Church at Oplenac (Oplenac Mausoleum, crypt of St. George's Church and the King's winery) with lunch included.

Registration fee payment

The registration fee is paid per participant, whereat each paper to be published in the Proceedings, must be covered by a registration fee of a participant (author / co-author / presenter).

Payment of the registration fee should be made in the following way:

Each participant should send details of the person or institution making the payment to the organizer, so the account with instructions about payment could be sent back.

The required data are:

- Full name (or full name of the institution)
- Full address with the postal code
- Country of the sender.

When paying the registration fee, the total cost of transfers are to be borne by the sender. The Conference organizer receives the full amount of the registration fee.

Notice on invitation letters

Invitation letter will be sent to all the Conference participants who send Full paper (with the Extended abstract). If a participant should need an invitation letter earlier, please send an inquiry.

Notice on publication of selected papers

A number of selected papers with the finer level of scientific contribution will be published in a special issue of the highly ranked scientific journal FME Transactions (M24), which is displayed on Scopus.

Best regards,

For the Organizing Committee
Marija Obradovic Ph.D. Associate Professor
Faculty of Civil Engineering
University of Belgrade
